

Every time I feel the spirit

I feel the spirit, yes'n

Ref.:

Everytime I feel the spirit,
movin in my heart, I will pray

Upon the mountain, when my Lord spoke
out of his mouth, Fire, smoke !
Looked all around me, it looked so fine,
my Lord, if all were mine

Ref.

Everytime...

Oh I have sorrow
and I have woe, and I have heartache, below.
But while God leads me,
I'll never fear, sheltered by his care.
